Pediatric Residency Program: Providing Community Child Care Health Education

Goryeb Children's Hospital Atlantic Health

Adolescent Health Education Programs in

Through this collaboration Pediatric Residents are available to child care providers and the children and families in their care. Community Child Care Health Education *promotes healthy and safe environments, provides health and safety information, and encourages preventive health care for all children in child care.*

On-site visits are pre-arranged and require advance notification. Visits typically last about one hour.

What to expect during an on-site Pediatric Resident Visit: *Classroom Observation, Health & Safety Education, Program for teacher & children (A 10–15 minute developmentally and age appropriate activity presented by the Pediatric Resident, Exit briefing and Technical Assistance with program Director).*

Contact Charlene O'Brien, Early Care & Education Specialist at (973) 770-5822 to schedule a visit or for more information about available workshop topics.

Child & Family Resources is accepting additional registration for our CDA classes taught in both **English & Spanish**.
